

Matter To The Deepest

Monday, 18 September 2023

Monday II (11:00 - 13:00)

-Conveners: Andrzej Siodmok

time	[id] title	presenter
11:00	[43] Maximally entangled proton and entropy in high energy collisions	KUTAK, Krzysztof
11:30	[44] Perspectives on precision predictions: lightcone expansion beyond NLP	JASKIEWICZ, Sebastian
12:00	[45] GRIFFIN: A C++ library for EW radiative correction in fermion scattering and decay processes	CHEN, Lisong
12:30	[46] Morning sessions final discussion
