

Matter To The Deepest

Friday, 22 September 2023

Friday I (09:00 - 10:20)

-Conveners: Wiesław Płaczek

time	[id] title	presenter
09:00	[87] Third order corrections to semileptonic $b \rightarrow u$ decay: fermionic contributions	USOVITSCH, Johann
09:30	[88] PSGen, a generator of phase space parameterizations for the multichannel Monte Carlo integration	KOŁODZIEJ, Karol
10:00	[89] Real effective potentials for phase transitions in models with extended scalar sectors	SELLER, Károly
