Anomalous Hall effect in single-crystalline EuIn₂P₂

Monday, 8 September 2025 17:00 (2 hours)

Primary author: Prof. TOLIŃSKI, Tomasz (Institute of Molecular Physics, Polish Academy of Sciences, Poznań, Poland)

Co-authors: Dr SINGH, Karan (Institute of Low Temperature and Structure Research, Polish Academy of Sciences, Wrocław, Poland); Dr ROMANOVA, Tetiana (Institute of Low Temperature and Structure Research, Polish Academy of Sciences, Wrocław, Poland); Prof. KACZOROWSKI, Dariusz (Institute of Low Temperature and Structure Research, Polish Academy of Sciences, Wrocław, Poland)

Presenter: Prof. TOLIŃSKI, Tomasz (Institute of Molecular Physics, Polish Academy of Sciences, Poznań, Poland)

Session Classification: Sesja plakatowa

Track Classification: Fizyka materii skondensowanej // Condensed matter physics
