

"Collider Physics" 2nd Symposium of the Division for Physics of Fundamental Interactions of the Polish Physical Society

Sunday, 15 May 2016

Neutrino Physics session - IF UŚ (11:30 - 13:00)

-Conveners: Marek Zralek

time	[id] title	presenter
11:30	[57] Neutrino properties determined in oscillation experiments	RONDIO, Ewa
12:00	[58] Astrophysical searches with neutrino detectors	MIJAKOWSKI, Piotr
12:30	[59] Neutrino portal to new physics	DEV, BHUPAL
